

K-LOVE serves me in my community by filling my mind with positive and encouraging words and music. I cannot live a day without K-LOVE during my drive to and from work. By filling my mind with positiveness, I am more apt to make the people surrounding me more productive, feel good, and offer love to people around me who so desperately need it.

I believe that if we did not have K-LOVE in my community, there would be more cases of depression, anxiety, crime, suicide, etc. K-LOVE is there when you are going thru a difficult time and they re-inforce God's promises that He is there for us during rough situations when all seems hopeless. Many times the daily word of encouragement K-LOVE provides is just what I need at that time and I know it is divine.

I believe the service provided by K-LOVE is in the public's best interest because it offers an alternative and because of the reasons listed above in para 2.

I want my K-LOVE, Virginia Beach, VA, Cape Charles, VA on FM 90.7 and need it. It has been a gift from God and made me a better person and a positive and encouraging influence in my community.

Thank you for your attention,
Michelle Newhall
